

CHIEF INDUSTRIAL OFFICER

# Carlo Guarrata

He graduated with a degree in Chemical Engineering from the University of Palermo.

In 2017 Mr Guarrata joined the Saras Group as Sarlux CEO, a role he's still holding, and from 2019 he is Chief Industrial Operations Officer.

He gained a long and rich experience in the ENI Group, initially at the Gela refinery, where, held various roles in the Production field, until in 2009 when he was appointed Technical Manager and then at the Taranto Refinery as Refinery Manager until 2013. He came back to Gela as General Manager and Chief Executive Officer, and starting from 2015 was in charge of Corporate Health, Safety, Environment and Quality, at ENI Rome office.
