**SARAS**

**BUNKERING  
SERVICE**

# SARAS GROUP, OUR DREAM: “TO BE INNOVATIVE, SUSTAINABLE AND A REFERENCE POINT TO THE COMMUNITY”

## TRADING ACTIVITIES

- Saras Trading SA, established on September 4<sup>th</sup>, 2015 and located in Geneva one of the main international hubs for commodities trading, is the commercial interface of Saras Group.

## SARLUX REFINERY : ONE OF THE LARGEST HIGH COMPLEXITY REFINERY IN THE MEDITERRANEAN SEA

- 300,000 barrels per day of refining capacity (about 20% of Italy's total refining capacity);
- About 85% of production is of medium and light distillates with low environmental impact (mainly diesel and gasoline);
- Abt 800 ships calling per year
- Integration with petrochemical and electricity production

## MARKETING ACTIVITIES IN ITALY AND SPAIN

- Wholesale of oil products with high added value and low environmental impact, such as low sulphur gasoil and gasoline;
- Two storage facilities for distribution of products at Arcola (Italy) and Cartagena (Spain)
